

A matching exercise consisting of two rows of circles. The top row contains six yellow circles with the following number of green dots: 2, 4, 5, 3, 1, and 6. The bottom row contains six purple circles with the numbers 4, 5, 1, 6, 3, and 2. The goal is to connect each yellow circle to its corresponding purple circle based on the number of dots.

Yellow Circle (Dots)	Purple Circle (Number)
2	2
4	4
5	5
3	3
1	1
6	6
